

MALDON DINING - DINING TABLES - ASSEMBLY

165cm 90022382 / 200cm 90022383 / 240cm 90022384

Contents:

Instructions:

1. Lay the tabletop upside down - insert two bolts with two washers to each leg.

2. Finger tighten all 8 bolts but do not fully tighten. When all 8 bolts are finger tight, tighten further by tightening each pair of bolts equally. Avoid overtightening one bolt first as this can cause unevenness.

3. Carefully turn the table back upright.
