

Installation Instruction

FOR PENDENT LAMP

WARNING SHUT POWER OFF AT FUSE OR CIRCUIT BREAKER

ASSEMBLY INSTRUCTION

Before installation the fixture be sure the electricity to the wires you are working is shut off. Turning off the power using the light switch is not sufficient to prevent electrical shock.

1. Carefully remove all components out off the carton and put them on a flat surface.
2. Fix the wire with green stripe and the Earth supply wire into the Wire connector.
3. Fix the wire with blue stripe and the Neutral supply wire into the Wire connector.
4. Fix the pure silver wire and the Line supply wire into the Wire connector.
5. Hang the Hanger loop to Hanger and raise the Canopy to ceiling and fix it by the Screw.
6. Put the bulbs onto the sockets.
7. Install the crystal as the picture show you.
